

CMS
MARITIME
Hotels & Resorts

CMS Maritime provides a wide range of services to the Hotel & Resorts, Corporate Hospitality, Yachts and Private Estate industries.

Through our world wide partnerships, we provide a full range of hotel purchase, development and management services. Our consultancy portfolio demonstrates a wealth of international services, encompassing new build, investment, purchasing, project management and comprehensive hotel management.

Our seamless integration with associated businesses, enables us to provide the highest standards of service for:

- Hotel purchase and development
- Construction & Project Management
- Hotel Management consultation
- New hotel builds, consultation with full management
- Refurbishment of hotels, resorts and complexes
- Interior design consultation
- Luxury Villa Complex management and sales
